Charlotte, NC 28224-2771

March 29, 2009

To whom it may concern:

Re: Company Statement: Buy America Act, ARRA Act of 2009 & material used in
the construction of BF Products Inc. enclosures & products

BFProducts enclosures and products are 100% manufactured, assembled and fabricated in the United States of America. Our products meet the intent and wording to be considered approved for use under the Buy America Act.

BFProducts enclosures and products are 100% manufactured, assembled and fabricated in the United States of America. Our products meet the intent and wording to be considered approved for use under the ARRA Act of 2009.

There is no recycled or contaminated material used in the structural material used to manufacturer BF Products Inc Above Ground Enclosures.

Production includes a wet chop and roving mat mating process infused with bonding agents, adhesives and catalyst compounds. All materials are clean, virgin and not recycled or contaminated.

Sincerely,

Craig Birchfield – President
